Information for you

With our **Delay Repay** scheme, if your train is delayed by 15 minutes or more you can claim compensation.

Delay	Compensation
15 to 29 mins	If you are delayed by 15 to 29 minutes you will be entitled to 25% of the cost of your single ticket or 12.5% of the cost of your return ticket.
30 to 59 mins	If you are delayed by 30 to 59 minutes you will be entitled to 50% of the cost of your single ticket or 25% of the cost of your return ticket.
60 to 119 mins	If you are delayed by 60 to 119 minutes you will be entitled to 100% of the cost of your single ticket or 50% of the cost of your return ticket.
120 mins or more	If you are delayed by 120 minutes or more you will be entitled to 100% of the cost of your ticket whether single or return.

If you choose to claim your compensation by credit/debit card or PayPal please ensure you add an email address on to this form, or alternatively complete the online form at lnr.uk/delayrepay

We must receive your claim within 28 days of the delay.

We will not normally accept a claim if you were told about the delay (before you bought your ticket). If an emergency timetable has been introduced, compensation will be based on that emergency timetable. If your delay was on a train run by another train operating company, you need to claim from that company. Full details of our commitments to customers are set out in our Passengers' Charter, which is available from stations or by visiting our website.
